# Product Leaderboards

The diagram illustrates a mobile application's user interface. At the top is a blue header bar with the word "Header" centered in white text. Below the header is a grey content area. Within this content area, there are three separate sections, each consisting of a yellow header box and a green content box. The first section is labeled "Best Rated (category name)" and contains a 3x3 grid of green rectangles. The second section is labeled "Most Popular (category name)" and also contains a 3x3 grid of green rectangles. The third section is labeled "Best Rated (category name)" and contains a 3x3 grid of green rectangles. Below each of these three sections is a large, solid yellow rectangular area.
